

REMARKS

In connection with the RCE filed herewith, Applicants request that the Notice of Allowance be withdrawn, and the Examiner reconsider this application with new claims 7-8. Support for the new claims may be found in the originally-filed specification, claims, and figures. No new matter has been introduced by the new claims. Applicants respectfully request reconsideration of this application.

Applicants thank the Examiner for the indication of allowance of claims 1-6.

Applicants assert that new claim 7 is a recording medium claims that includes similar elements as allowed claim 1, and new claim 8 is a reproduction claim that depends from claim 7, so claims 7-8 are patentable for the same reasons as the Examiner's allowance of claim 1, in addition to their own respective features.

In view of the above remarks and amendments, Applicants respectfully submit that all pending claims properly set forth that which Applicants regards as their invention and are allowable over the cited references. Accordingly, Applicants respectfully request allowance of the pending claims. The Examiner is invited to telephone the undersigned at the Examiner's convenience, if that would help further prosecution of the subject application. The Commissioner is hereby authorized to charge any fees, which may be required, or credit any overpayment, to Deposit Account No. **19-2814**.

Respectfully submitted,
